The Conference deliberations are being structured to cover the following Thrust Areas (but not limited to):

**Thrust Areas**

*Track 1: Electronics Engineering (ETRX)*

*Track 2: Electronics & Telecommunication Engineering (ETCT)*

*Track 3: Electronics & Power Engineering (EPDP)*

*Track 4: Computer Science & Engineering (CSE)*

*Track 5: Information Technology (IT)*

*Track 6: Mechanical Engineering (MECH)*

*Track 7: Civil Engineering (CIVIL)*

*Track 8: Master of Business Administration (MBA)*

*Track 9: Basic Sciences (BS)*

**Yeshwantrao Chavan College of Engineering**

Yeshwant Rural Education Society’s Bapunra Deshmukh College of Engineering was established in 1983 by Late Shri Bapuraoji Deshmukh, a close associate of Mahatma Gandhi with the concept of “Teaching is a mission not a profession.” This mission is being continued by our present Chairman Prof. Saroshshabhai B. Deshmukh. The College is recognized by AICTE and permanently affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The institute is located at Sevagram, Dist. Wardha. The college is running seven engineering under-graduate programs (BE) & five engineering post-graduate programs (M.Tech) along with postgraduate program in management studies (MBA). Institute is approved research center for PhD and ME by Research. 155 research scholars are registered for PhD at our research centre and 27 students for higher learning studies (ME by Research).

**About Sevagram**
Sevagram is situated around 6 km from Wardha city. Mahatmaji and Baj resided here from 1937 onwards. BapuKuti (where Mahatma Gandhi was resided from 1937 onwards) is at 1 km away from the college.

**Preamble**
The primary goal of the conference is to promote research and developmental activities in the field of engineering, science and technology to bring researchers and experts from academia and industry on a common platform to discuss the recent technologies being adopted in India and abroad. The conference is organized with The Institution of Electronics and Telecommunication Engineers (IETE), Computer Society Of India (CSI), International Journal of Computer Applications (IJCAIOnline) (ISSN: 0975-8887), International Conference on Emerging Trends and Research in Engineering, Research, Science & Technology (IJERT) (ISSN: 2278-0181) and The Institution of Engineers (India).

**Objectives**
- To explore research trends in various streams of engineering, science and technology.
- To provide a platform to all delegates to share views, knowledge and achievements in the field of Engineering, Science & Technology.
- To encourage the delegates for technical writing and presentation based on their original research work.
- Identification and promotion of R&D activities at the individual as well as at the institutional level.
