

Swami Anand Devji A Patanjali Yogpeeth Haridwar enchanted with BDCE students.

On 26th September 2018, the Bapurao Deshmukh College of Engineering Sevagram in collaboration with Bharat Swabhiman Yog Samiti, Wardha organized a Guest Lecture for the engineering students on the topic of, 'Yoga and Personality Development'. The program commenced with saraswati vandana and ceremonious lightning of the lamp by the hands of dignitaries. Principal Dr.G.V.Thakre and Swami Anand Deoji, a keynote speaker, along with Mrs.Sanjivani Mane of Mahila Yog Samiti Wardha, Dr.A.S.Patil, Prof. W. K. Kinge were present on the dais. Opening remarks were given by the Principal Dr.G.V.Thakre. He focused on the objective of program and addressed the students of engineering and students of MBA. He talked about the student life and their responsibilities regarding the nation. He also guided them regarding hard work and success. Mrs Sanjivani Mane introduced the Keynote Speaker and familiarized the great personality Swami Anand Deoji as an expert in holistic Yoga practices and an inspiration for the youth.

Swami Anand Deoji addressed the student of engineering and MBA. He boosted their energy and interacted with them. He deliberately pointed out the day-to-day student life examples and realized them the importance of Yoga for the Personality Development. He said, Yoga has been practicing from ancient age and the whole world is accepting the naked truth of its need and importance. He told that a continuity in hard work leads to the sound and successful life. Being youths it's our responsibility to built our nation. He told the importance of yoga in stress management, health management and equilibrium of the life. According to him attitudinal behavior reflects the personality and to shape a sound minded personality one should follow yogic practices. With some beautiful examples he enchanted the students and inspired them to join the yoga.

The program concluded with the national Anthem. Prof. Santosh Gaikwad conducted the program and also proposed a vote of thanks. All the faculty members, staff members, Engineering students and MBA students were present in the program.
