

Name of Program - One Week Alumni Interaction Program

Date - From 02/10/2020 to 11/10/2020

Objective of Program - To share experience of department passed out graduates with students

Program Detail -

Department of Computer Engineering in association with Student Development Cell and Departmental Training and Placement Cell had organized series of "One Week Alumni Interaction Program(Webinar)" in academic year 2020 -21 for students in the department. Objective to organize these webinars was to provide information to students about career opportunities in IT industry through the experience of Expert alumni.

Following Alumni Interaction webinars were conducted under the series -

1. Mr. Swapnil Tulaskar, Trainer in IT sector interacted with students on dated 02/10/2020. He provided information about how to find the exact niche while interacting with real world.
2. Mr. Amit Tiwari, Innosewa Service Digital interacted with students on dated 03/10/2020. He provided information about Entrepreneurship opportunities in IT sector.
3. Mr. Vikrant Gandole , Senior Project Engineer, Wipro Ltd. and 2014 batched alumni Interacted with students on dated 04/10/2020. He provided information about today's company scenario and what type of skills required for selection in IT company
4. Mr. Dattatrey Ozarkar, IT analyst, TCS Ltd. interacted with students on dated 05/10/2020 and he provided motivational speech related how to improve our weakness.
5. Mr. Saurin Thakkar, Infosys, UK and 2006 batched alumni Interacted with students on dated 10/10/2020. He provided information regarding how to study for education in abroad.
6. Ms. Milky Thakur, HCL Ltd., Noida and alumni 2016 batched interacted with students on dated 11/10/2020. She motivated students for development of soft skills.

These webinars were organised under the banner of Computer Society of India(CSI)

These overall webinars were coordinated by Prof. A. R. Dandekar, Departmental training and placement mentor. Program was attended by Dr. A. N. Thakare, HOD, CE dept., other faculty members and students.

Outcome of Program - Students interacted with alumni and asked queries regarding industry

Name of Program - One week Alumni Interaction program

Session - 2020-21

Date of Program - 02/10/2021 to 11/10/2021

Online Detail/Link - All program Conducted on virtual mode

No. of Participants (Average): 36 (216 Total)

Coordinator : Prof A. R. Dandekar

**Program Details:**

Department organized series of webinar that is One week Alumni Interaction program on different topic mansion in table for the students of CE Department. Expert from different batch discussed about topic like Documant Object Model(DOM), How to study for abroad, Enterprenurship, Soft Skill Development , How to Improved our Weakness and their benefit to curriculum and University Exam also..

Expert talk for the all semester students under banner of Student Development Cell associate with Program was Started by welcoming resource person from Industry by HOD, Dr. A N. Thakare sir delivered introductory motivational speech about the Webinars.

After Completion of Webinar the interactive session was conducted.

Session 2020-21					
1	Interactio n With Alumni	Swapnil Tulaskar(Trai nner)	<a href="http://bit.ly/2SeYf3E">http://bit.ly/2SeYf3E</a> Meeting ID 85952967485 2/Oct/20 Time 3.00pm Zoming	How to find the exact niche while interacting with real world	
2	Interactio n With Alumni(6 3 Students)	Amit Tiwari(Innose wa Service Digital	<a href="http://meeting.google.com/zj-wgob-eoa">http://meeting.google.com/zj-wgob-eoa</a> 3/Oct/20	Enterprenurship	

**Vision:** To be recognized as a program of academic excellence by creating professionals of global Standards with acceptable capabilities.

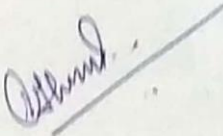

3	Interaction With Alumni(1 Students)	Vikrant Gandola(Senior Project Engineering, Wipro Ltd)	<a href="http://meeting.google.com/yup-napo-wap">http://meeting.google.com/yup-napo-wap</a> 4/Oct/20	Today's Company Scenario	
4	Interaction With Alumni(2 Students)	Dattatray Ozarkar(IT Analyst, ICS Ltd)	<a href="http://meeting.google.com/eqq-mxqz-bm">http://meeting.google.com/eqq-mxqz-bm</a> 5/Oct/20	How to Improved our Weakness	
5	Interaction With Alumni(3 Students)	Mr. Saurin Thakkar(Infosys, UK)	<a href="http://meeting.google.com/nmf-bytb-sgf">http://meeting.google.com/nmf-bytb-sgf</a> 10/Oct/20	How to study for abroad	
6	Interaction With Alumni(4 Students)	Ms. Milky Thakur(Noida HCL Ltd)	<a href="http://meeting.google.com/jvhr-pwtm-gay">http://meeting.google.com/jvhr-pwtm-gay</a> 11/Oct/20	Soft skill Development	

**Program Outcome:** Students Should able to aware different technologies and they should able to understand what is need of market an how we take opportunities

2020-2021

## Report on "IPR & IP Management for Startup" Online Workshop.

The Institute Innovation Council, a council at the Bapurao Deshmukh College of Engineering Sevagram, Wardha Organized Workshop on "Intellectual Property Rights & IP Management for Startup". The Workshop was organized dated on 05<sup>th</sup> March 2021. Ms. Sneha Dukare was the anchor of Workshop. The Workshop was led under the founder of TFL and President of Institute Innovation Council, Dr. U D Gulhane was the Trainer of Workshop and IPR Activity Coordinator, Dr. J D Dhande was the Workshop Coordinator. Ms. Sneha Dukare, Ms. Pratiksha Lonkar, Mr. Rushikesh Bomle, Mr. Abhishek Gajbhiye and Mr. Ajay Yadav shouldered the responsibility of IPR Student coordinators.

The Workshop was held from 04:00pm to 6:00pm. For the Workshop, all IIC Members were present including 100 Students from 1<sup>st</sup> year and all departments. After the Workshop, in last Ms. Pratiksha Lonkar was proposed vote of thanks. In this way, the event was end successfully.

## Workshop Report

<b>Name of Program-</b>	Two Days workshop on Basics Of Python Programing.
<b>Session-</b>	2020-2021.
<b>Date of Program-</b>	5 <sup>th</sup> -6 <sup>th</sup> June 2021
<b>Venue -</b>	Online Mode , CE Dept, BDCE.
<b>Resource Person-</b>	Prof Vaishali B Bambode
<b>Faculty Coordinator -</b>	Prof Vaishali B Bambode
<b>No. of Participants-</b>	250 (FY Students)
<b>Objective of Event-</b>	To understand the Basics Of Python Programing.

### Program Details -

Department of Computer Engineering, BDCE Sevagram has organized Two Days workshop on "Basics Of Python Programing" under the banner of CDOS and in association with Professional Chapter CSI, IE. On 5<sup>th</sup>-6<sup>th</sup> June 2021 for First Year students of Computer Engineering and Information Technology Department. Chief Guest and Recourse Person for workshop is Prof. Vaishali B Bambode, Assistant Professor, BDCE ,Wardha

On 5-06- 2021 topics covered

- ✓ Introduction of Python
- ✓ Installing Python on PC
- ✓ Setup & Hello word
- ✓ Variables & data types in python
- ✓ Working with strings
- ✓ Mathematical Operations in python
- ✓ Getting input from users
- ✓ List & List functions
- ✓ Tuples & functions
- ✓ Function & return statement in python

On 6-06-2021 topics covered

- ✓ Conditional statements in Python
- ✓ Classes & Objects
- ✓ Concept of inheritance in python
- ✓ Introduction of python in data science
- ✓ Libraries & Graphs
- ✓ General applications of python
- ✓ Career Opportunities in python
- Question & Answer session

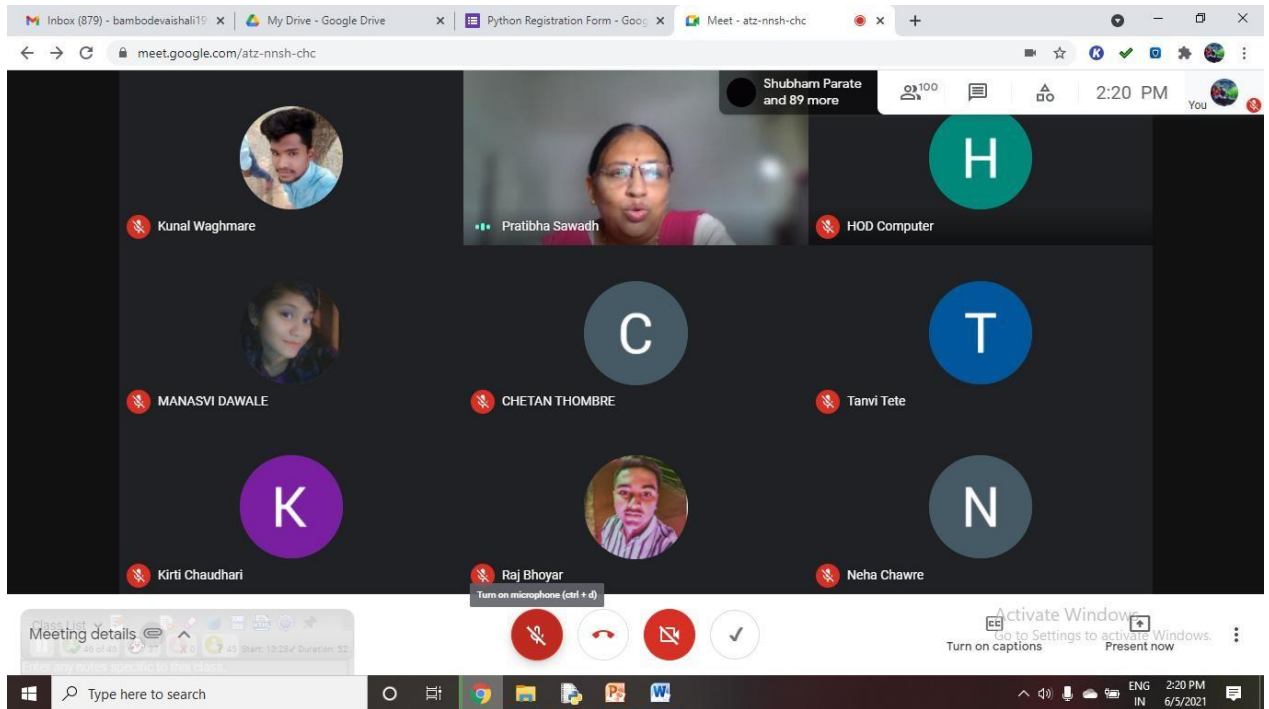

In this two days workshop of python , Many concepts in Python are discussed with First Year students. As well as at the end of workshop career opportunities in python programming are presented to students so that they develop interest and pursue python language in future. On day 1 and Day 2 quiz of 20 marks is conducted based on topics covered on a respective date.

Snapshots Of Online workshop:

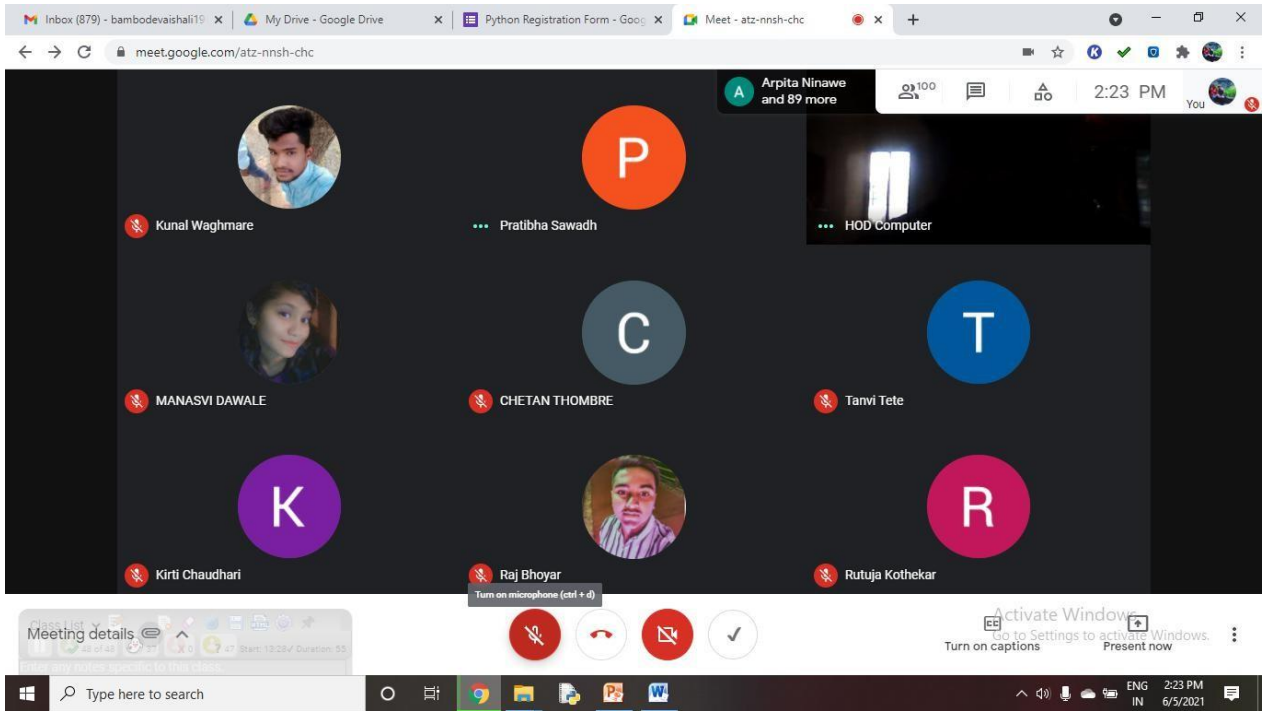

### 1. Invitation for Python Training

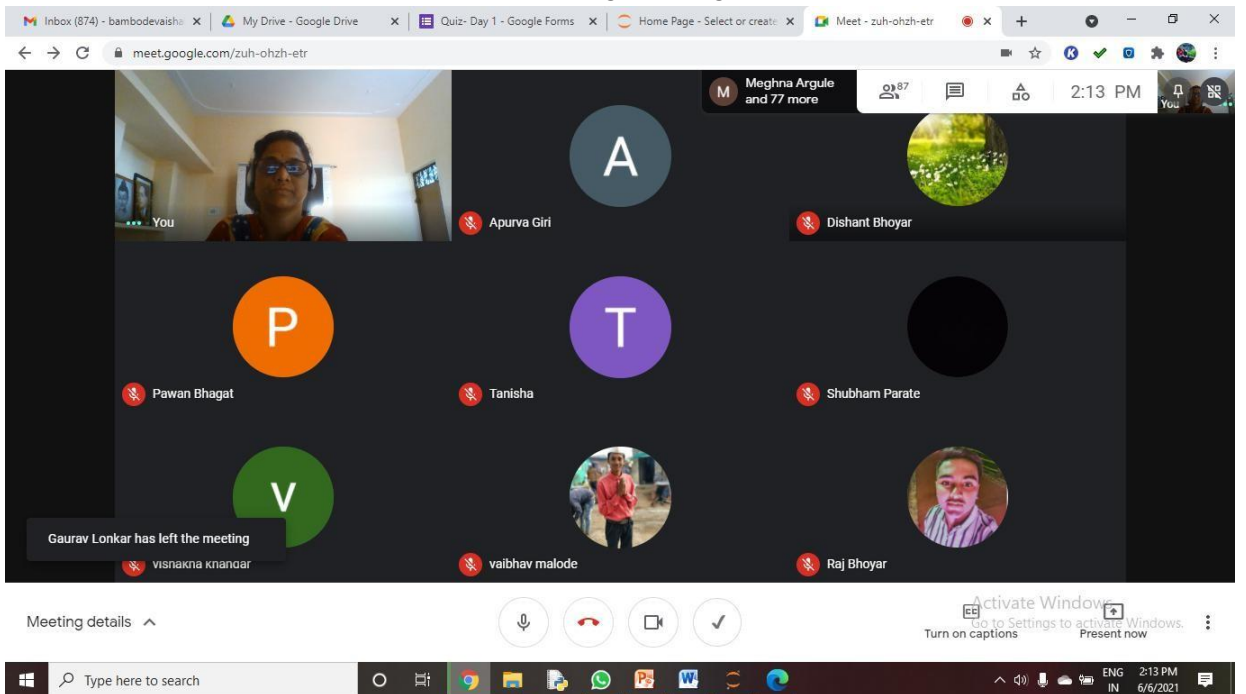

### 2. Inaugural speech By HOD of first Year dept Dr. Sawadh mam

### 3. Inaugural speech By HOD of Computer Dept. Dr A N Thakare sir

#### 4. Resource Person Prof Vaishali Bambode conducting Training

**Outcome of Event-** Students came to know about this new and easy to learn language called Python in this training. This training has helped them to develop an interest and understand various career opportunities in Python .

DEPARTMENT OF COMPUTER ENGINEERING  
EXPERT LECTURE**

<b>Name of Program</b>	-	Webinar on software testing and quality
Session	-	2020-21
Date of Program	-	05/06/2021
Time --	-	11.50 am
Venue	-	ONLINE MODE (meet.google.com/kdn-zhgh-zso)
Resource Person	-	Mr.Saurabh Dhale (Batch 2019)-Techure Structure Pvt. ltd
Faculty Coordinator	-	Prof. A. R. Dandekar
No. of Participants	-	40
Objective of Event :	-	To aware about STQA

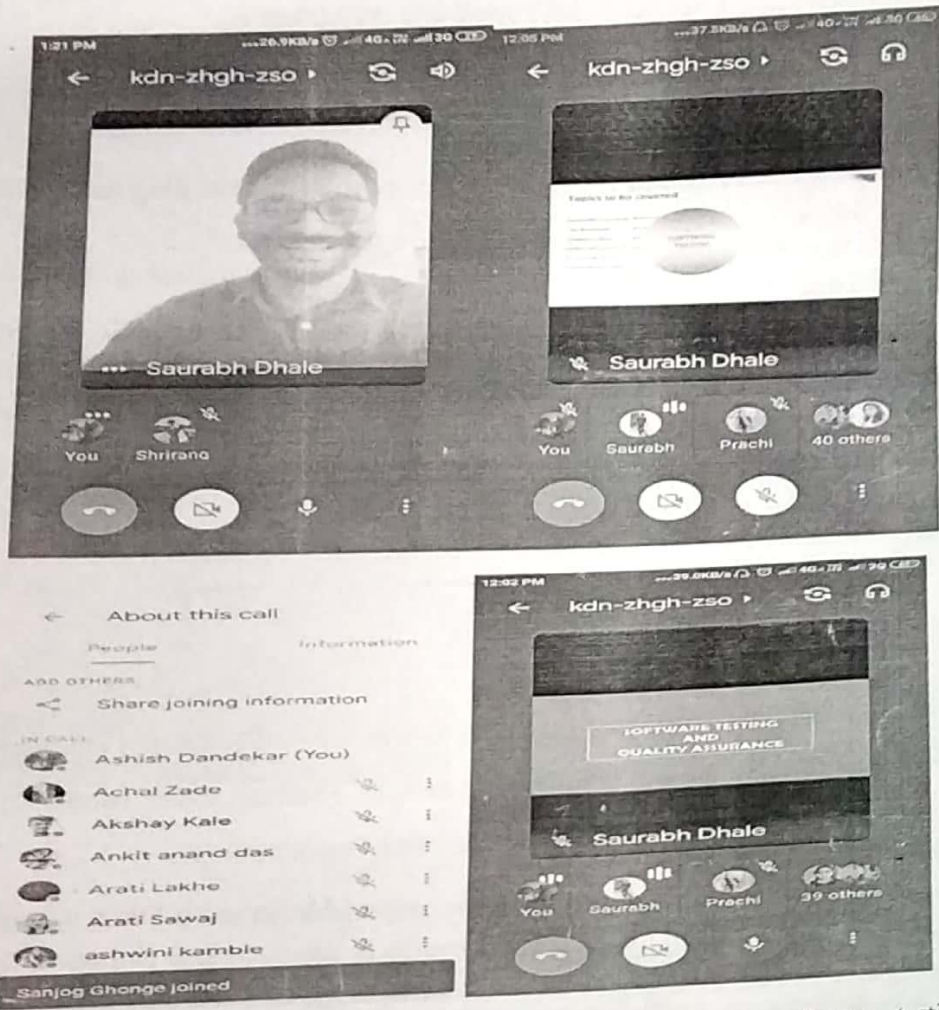

**Program Details:**

Department organized webinar on software testing and quality assurance for the 8<sup>th</sup> and 6<sup>th</sup> semester students under banner of Student Development Cell associate with T&P Department.

On 05/06/2021 in online mode, expert Mr.Saurabh Dhale (Batch 2019)-Techure Structure Pvt. Ltd explain all level of testing like unit, integration, system and acceptance testing also how testing concept will actually implement in software company. and how developer maintain quality of software. He also explain tool and automation. He discussed job opportunity in current scenario as tester..

After that the interactive session was conducted. Resource person took feedback from students.

Event Photos:

Outcome of Event – Students acquired knowledge about software testing and they should aware about opportunity in IT in future.

Name of Program: Three Day's Virtual Training Program on "Blender" Software

Session: 2020-21

Date of Program: 12th to 14<sup>th</sup> May,2021

Virtual Platform: Whatsapp / Google Meet

Resource Person/Platform : Spoken Tutorial IIT, Bombay

No. of Participants: 80

Objective of Event: To learn hardware requirement, installation process, navigation, blender interface and mode properties and their settings.

Program details :

Department of Civil Engineering, BDCE Sevagram organised, three day's virtual Training on "Blender" software. The Training was conducted for third and Final year civil engineering students from 12<sup>th</sup> to 14<sup>th</sup> May 2021.

"Blender" is a 3D computer graphics software used for creating 3D printed modeling, Virtual reality, simulation, rendering, motion graphics etc. It is available under the GNU General Public License for all operating systems, Linux, Mac OS X, FreeBSD, OpenBSD and Microsoft Windows. The Blender site allows to download and use pictures and graphical creations. All materials of Blender's Open projects are freely licensed as Creative Commons making it easy to reuse and be mirrored. It is comparable to 3dsMax to a great extent which is helpful for civil engineering students.

The program was co-ordinated by Prof. V.A.Kalmegh, Prof. A.B. Dehane and Co-ordinated by Prof. M.M. Lohe. The objective of the program is to learn hardware requirement, installation process, navigation, blender interface and mode properties and their settings. More than 60 students was registered and participated in the program. During three day's training the daily assignments and Quiz was conducted through whatsapp and google form. We are thankful to Dr. G. V. Thakre, Principal, BDCE, Sevagram for their valuable guidance and inspiration, and also thankful to Prof. R.S. Kedar, HOD and Prof. A.R. Welekar College Co-ordinator Spoken Tutorial, B.D.C.E., Sevagram.

THREE DAY'S VIRTUAL TRAINING PROGRAM ON "BLENDER"		
COURSE SCHEDULE		
Day and Date	Session	Contents
DAY 1 1081085001 12 <sup>th</sup> MAY 2021	1	Hardware requirement to install Blender
	2	Installation Process for Windows
	3	3D Cursor
	4	Move on 3D Space
	5	Custom view Settings
DAY 1 :- Assignment/QUIZ between 4.00 pm to 5.00pm		
DAY 2 1081085047 13 <sup>th</sup> MAY 2021	1	The Blender Interface
	2	How to Change Window types in Blender
	3	Types of Windows File Browser into panel
	4	Types of Windows User Preferences
	5	Types of Windows Outliner
DAY 2 :- Assignment/QUIZ between 4.00 pm to 5.00pm		
DAY 3 1081085044 14 <sup>th</sup> MAY 2021	1	Types of Windows Properties Panel 1
	2	Types of Windows Properties Panel 2
	3	Types of Windows Properties Panel 3
	4	Types of Windows Properties Panel 4
	5	Types of Windows Properties Panel 5
DAY 3 :- Assignment/QUIZ between 4.00 pm to 5.00pm		

Outcome of Event : Students are able to install Blender software and learn hardware requirement and 3D modelling.

## WEBINAR ON "Being an effective team player"

Department of Electronics and Telecommunication Engineering under the banner of Electronics and Telecommunication Student's Association (ETSA) in collaboration with NPTEL IIT Madras had organized a webinar on dated **19/05/2021** on topic "**Being an effective team player**" for faculties, UG, PG students of all department through virtual mode (5:00pm to 6:00pm).

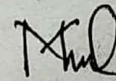

The expert speaker was Mr. Dhiraj Gupta, Director Capgemini. The session had covered various aspects of being an effective team player in today's distributed multigeography and global corporate environment. Also share his experience regarding team work qualities, personality's styles, phases of team development and ideal team members characteristics.

Total 83 students was attended the program . Prof. M. N. Thakre head of EXTC department and faculty members also attended the session. The session was interactive. The program was coordinated by Dr. Ms. J. D. Dhande.

On this occasion Dr. G. V. Thakre has delivered Presidential Address, Dr. M. Umasankar shared details of the workshop & Dr. R. O. Panchariya delivered Inaugural Address & Vote of thanks. All the staff members & students of MBA Department were present for the program. Around 60 students of MBA participated in the workshop...

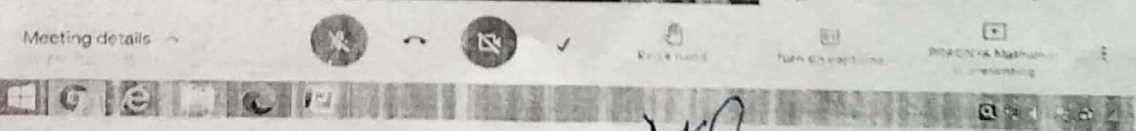

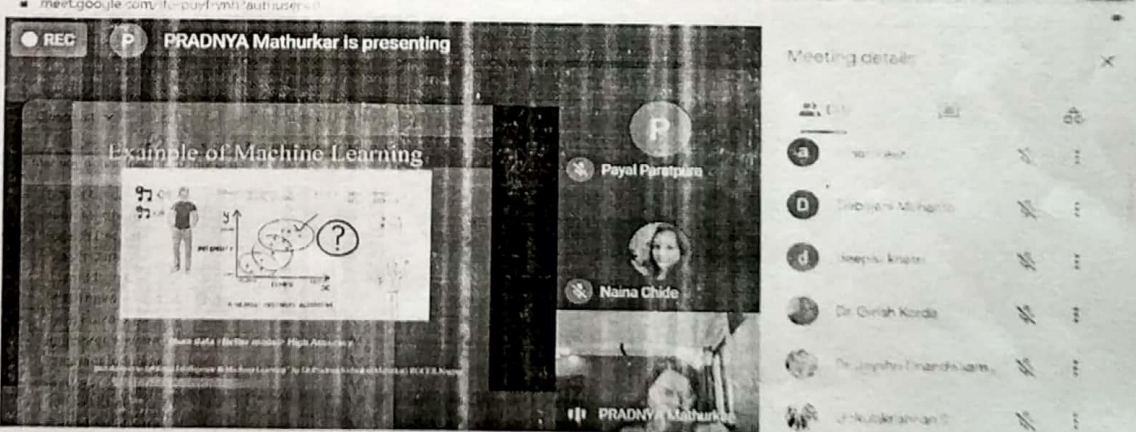

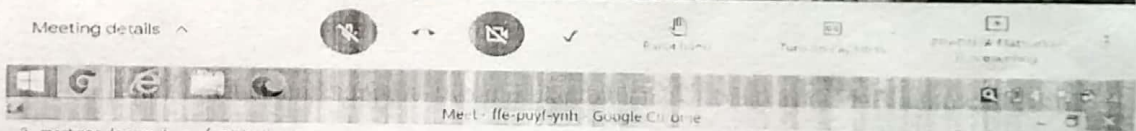

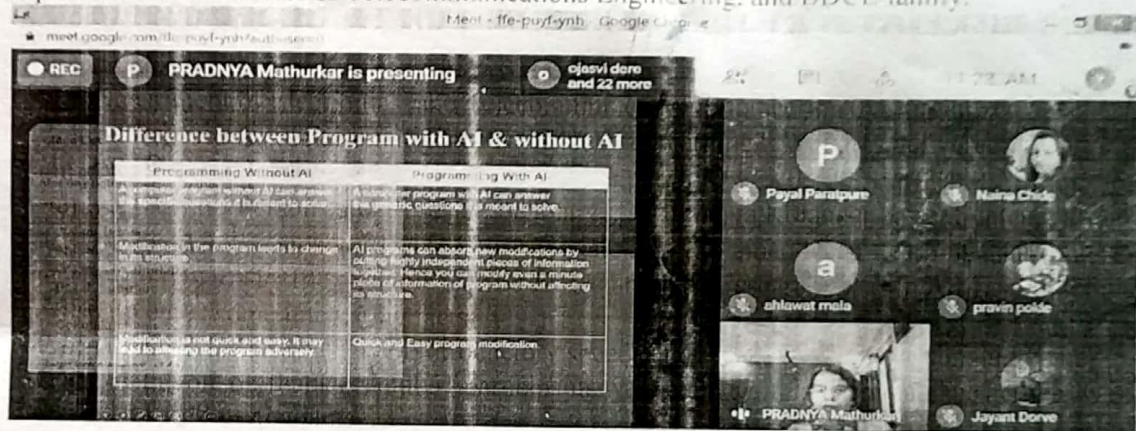

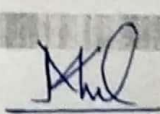

## Report on Webinar on "Introduction to Artificial Intelligence and Machine Learning"

Department of Electronics and Telecommunication Engineering has organized a webinar on "Introduction to Artificial Intelligence and Machine Learning" which is delivered by Dr. Pradnya Kolankar, Assistant professor, RGCE, Nagpur, today 22/05/2021 at 11:00 AM for Faculties, Industry Persons and Research Scholars. Dr. Pradnya Kolankar has enlightened us on topic Artificial Intelligent and Machine Learning and also explained Deep Learning and Data Science with day to day life example. she discussed about the research areas in Artificial Intelligent and also revealed some interesting facts.

Prof. Y. A. Sadawarte has given Introductory speech and Prof. N. M. Chore concluded the webinar with vote of thanks. Total 51 participants were attended this Webinar. The activity was appreciated by all participants.

We are very thankful to Dr. Pradnya Kolankar for sharing his practical knowledge and experience. Also thankful to Dr. G. V. Thakre, Principal, BDCE and Prof. M. N. Thakre, HoD for their valuable guidance and support. I would like to thank all the participants, all members of department of Electronics & Telecommunications Engineering, and BDCE family.

**Name of Program** : Three Days Workshop on "Introduction to AutoCAD Software "

**Session** : 2020-21

**Date of Program** : 24-05-2021 to 26-05-2021

**Virtual Platform** : Google Meet

**Resource Person** : Mr.Mithilesh Kapse, ( Structural Engineer),Level Up Academy, Nagpur

**No. of Participants** : 65

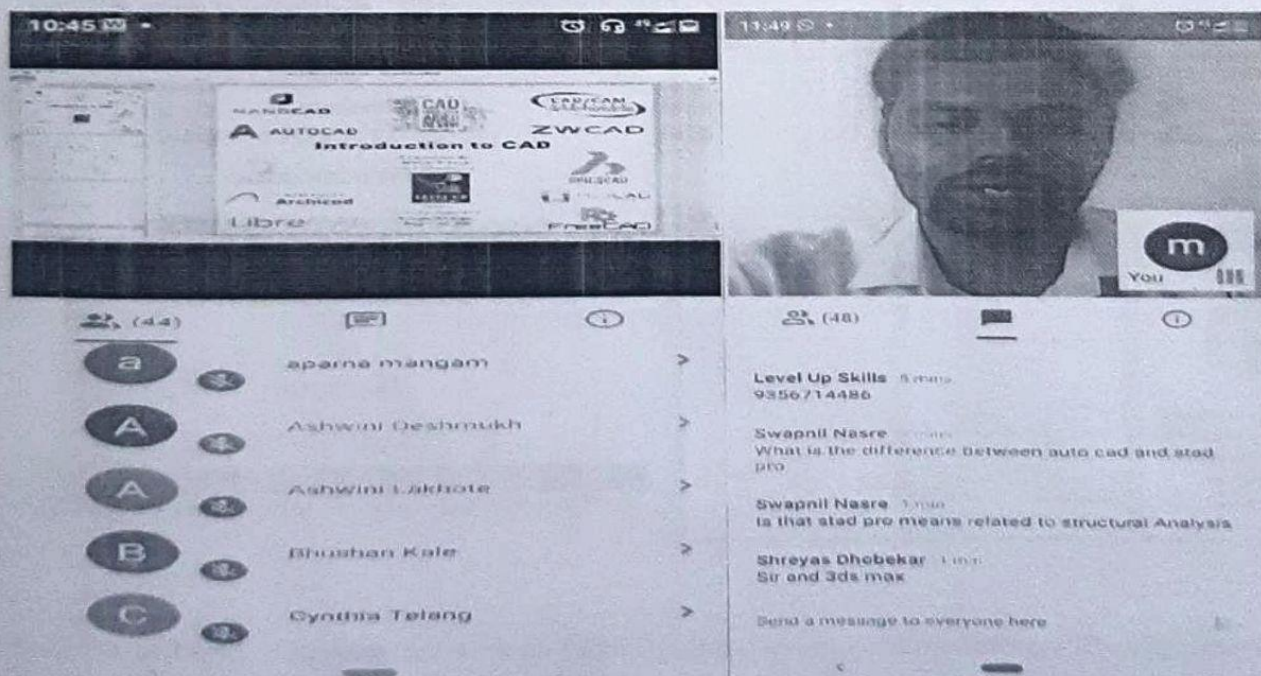

**Objective of Event:** To understand and implement the basic of software in future for designing..

**Program details** :

Department of Civil Engineering, BDCE, Sevagram has organized a 3 Days Workshop on "Introduction to AutoCAD Software " by Mr.Mithilesh Kapse sir, Structural Engineer,Level Up Academy, Nagpur from 24/05/2021 to 26/05/2021 for third year students . Mr Mithilesh kapse sir has enlightened students on basic of AutoCAD software and also explained How to make up plan with the help of AutoCAD.

Prof. M M.Lohe has given introductory speech and introduced the resource person. Total 65 participants were attended this Workshop The activity was appreciated by all participants.

We are very thankful to Mr Kapse sir for sharing his knowledge and experience also thankful to Dr. G. V. Thakre, Principal, BDCE, Sevagram for their valuable guidance and inspiration ,and also thankful to Prof.R.S.Kedar , HOD , Department of Civil Engineering for inspiring to do the such type of Program. I would like to thank all the participants for active participation in workshop.Prof.M.M Lohe ,were presented the Vote of Thanks .

**Outcome of Event** : Students will able to draw a plan by using software AutoCAD.

**Name of Program:** 9th National Conference Application of Mechanical Engineering (Online)

**Date:** 25/05/2021

**Time:** 10.30am onwards

**Venue:** Online

Google meet <https://meet.google.com/zuv-skef-zdw>

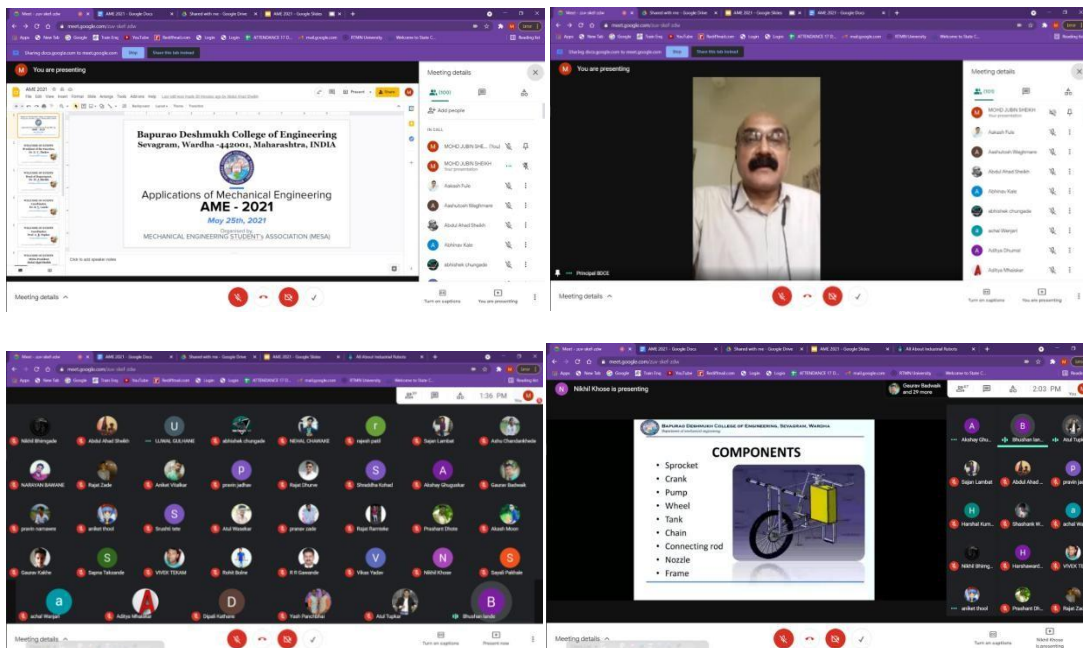

**Faculty Coordinator:** Prof.A.B.Tupkar , Dr.B.V.Lande

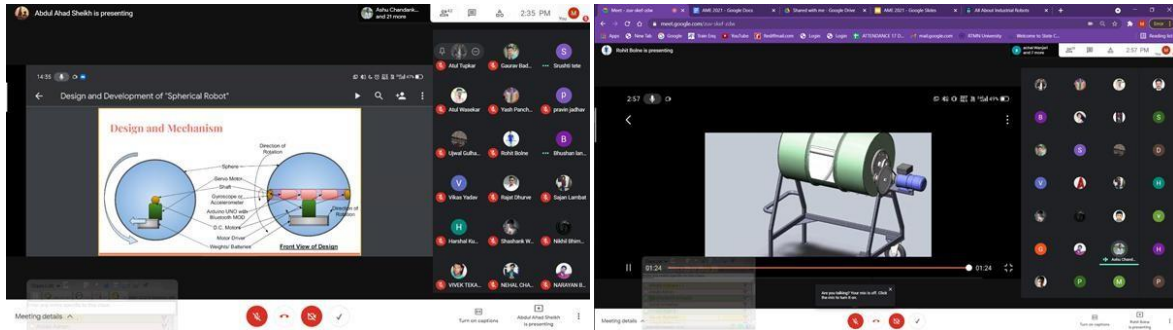

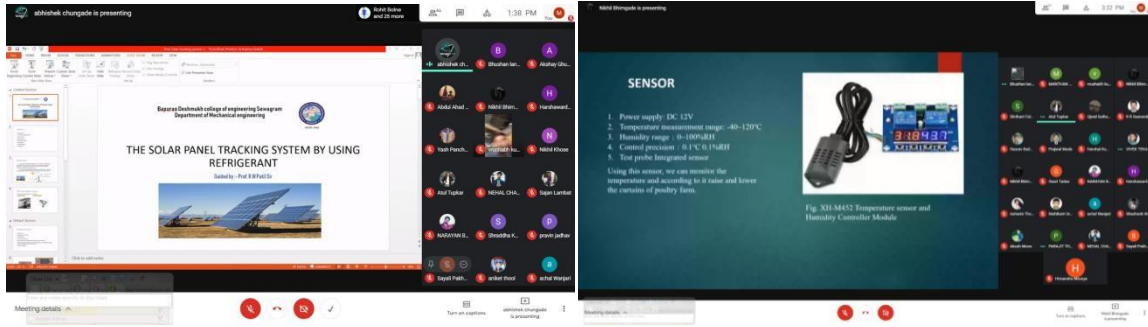

**Total Students = 91** (Boys =79, Girls= 12, Faculty= 13)

**Objective of Event:** To provide research & innovation platform to the students

**Program Details:** Department of Mechanical Engineering, Bapurao Deshmukh College of Engineering, Sevagram organised 9th National Conference Application of Mechanical Engineering (Online) on 25/05/2021. MESA President Abdul Sheikh introduced the objectives of AME. Dr. M.J.Sheikh,Convener & HOD (ME) addressed the gathering to keep updated with the research & innovation. Dr.G.V.Thakre, Principal & President of the function, addressed the students & suggested the students for publication of their innovative work. He also added to move for patent & entrepreneurship with the innovative work. Prof.A.B.Tupkar & Dr.B.V.Lande were the coordinators of AME 2021 & worked untirely for the success of event. Total 50 papers were submitted. From 8<sup>th</sup> Semester=17, 6<sup>th</sup> Semester=19 & 4<sup>th</sup> Semester=14 papers received. The organizing committee has shortlisted 21 papers for presentation due to constraints. The Paper presentation started at 11.00 am onwards. Dr.U.D.Gulhane, Dr.R.R.Gawnde, Prof. R.D.Thakre, Prof.A.B.Tupar,Dr.B.V.Lande were on the panel & suggested the ways to make the work patentable & about entrepreneurship with their work. Total 167 students including Faculty members attended the conference. Prof.A.B.Tupkar presented vote of Thanks.

**Outcome of Event:** Students presented their research & innovative work.

**RETRET-2021**  
15-16 June 2021

(21)

### Report

Two days National conference in "Recent Trends in Engineering & Technology" RETRET-2021 was organized by Electronics & Telecommunication Students Association (ETSA), Department of Electronics & Telecommunication Engineering, Bapurao Deshmukh College of Engineering, Sevagram, on 15-16 June 2021. On the conference days two different events were conducted. Paper presentation on first day of conference followed by model exhibition on the second day got the huge response. Prof. M. N. Thakare, is the Convener and Head of Dept. E&T Engg. Dr. G. D. Korde is Coordinator of the program have taken lots of effort to make this event grant success.

First day of conference is started with the inaugural function with Saraswati vandana & felicitation of Guest. Coordinator Dr. Girish D. Korde briefly introduce theme & implementation of conference on both days and address the delegates in virtual mode. He again mentioned advantages of organizing such events and how it will be beneficial to students in their carrier. Convener Prof. M. N. Thakare addresses the participants about the various activities organized in the department of electronics and telecommunication. President of inaugural function. Dr. G. V. Thakre (Principal BDCE, Sevagram) aware the participants about the need of such events in their academic life and future benefits in their carrier. Vote of thanks is given by Mr. Suraj Waghmare vice-president ETSA committee. Mr. Tushar Barde from final year has worked as anchor for the inaugural function. All head of departments, all section in-charge and departmental staff were present for the function.

#### **Day 1: Paper Presentation**

On the first day of conference, participants presented their paper in various areas of electronics and telecommunication engineering like Embedded system communication, signal processing, image processing and Networking. Prof. P. R. Indurkar and Prof. Mrs. Y. A. Sadawarte chaired the session as expert in track 1. Prof. R. D. Kadam and Dr. J. D. Dhande chaired the session as expert in track 2.

#### **Day 2: Model Exhibition**

Second day of conference is kept reserved for model exhibition. Due to the huge response towards model exhibition it is distributed in three separate tracks. Designed model is very well demonstrated by the participant. Jury members appreciate the work done by them and its application in real life. Prof. P. R. Indurkar, Prof. R. D. Kadam, Prof. Mrs. Y. A. Sadawarte and Dr. J. D. Dhande have worked as jury member in various tack.

Conference is concluded with valedictory function on the second day of conference. Prof. M. N. Thakre Presented the summary of two day conference. He again elaborates his views towards the conduction of conference and congratulates the winner of different events. Certificates to delegates were distributed in online mode. One paper from each session is selected as best paper

---

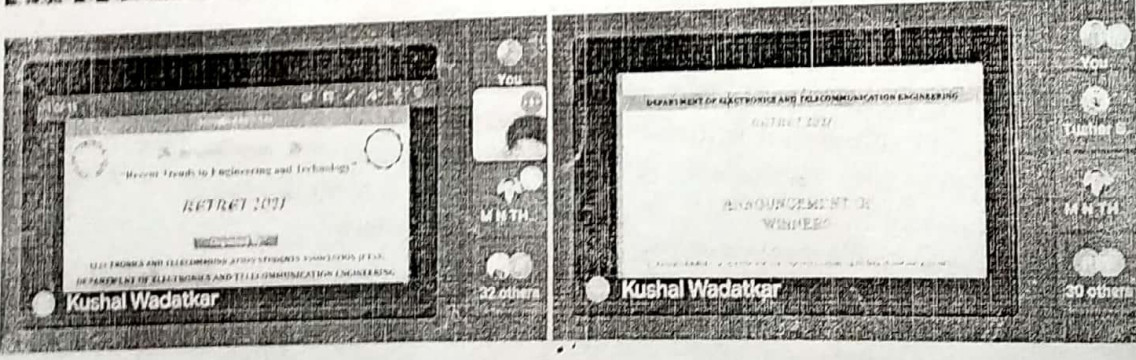

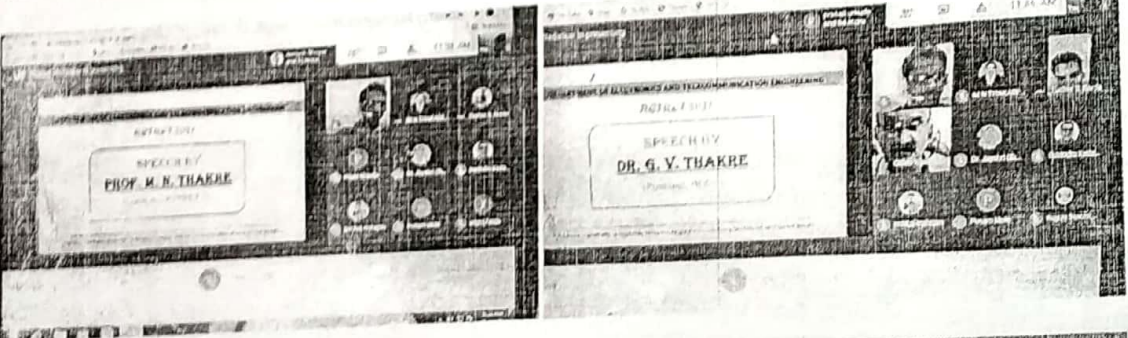

#### **: VISION:**

**"Globally acceptable telecom engineers satisfying technical and social needs"**

of session and one model from each session is selected as best model/project work. Vote of thanks delivered by Mr. Pankaj Mahajan, Presidents ETSA committee.

Webinar on "Internet of Things"

Report

Date: 18/06/2021

Department of Electronics and Telecommunication Engineering, BDCE Sevagram in association with Electronics and Telecommunication Students Association (ETSA) organized a webinar on Internet of Things dated on 18/06/2021 for the students of all the semesters of the department. The webinar was started at 11:00 am. Mr. Priyam Sharma from Doxpro Technologies pvt. Ltd. was the resource person for the webinar. The program was coordinated by Prof. A. W. Hinganikar along with the student coordinators Mr. Pankaj Mahajan and Mr. Tushar Barde. Around 50 students were present for the webinar.

**Name of Program** - Online Workshop on "IOT using Arduino" in One Week Online Technical Event  
CONNECT 2021

**Objective of Program** - To understand basics of Internet of Things and its implementation using Arduino

**Date** - 07/06/2021

**Resource Person** - Sneha Dukare, Mr. Akshay Bhonge and Mr. Nayan Wanjari, Final Year students in CE dept.

**Number of participants** - 45

**Program Details -**

Department of Computer Engineering , BDCE Sevagram in association with Computer Society of India (CSI) and under the banner of Computer Departmental Organisation of Students (CDOS) is organized One Week Online Technical Event "CONNECT - 2021" for Polytechnic College and 12th Std. Science College students on dated 07/06/2021 to 12/06/2021. Various events are organized under it such as:

Day 1 - Online Workshop on "IOT using Arduino"

Day 2 - Paper Presentation Competition

Day 3 - Online Workshop on "App Development"

Day 4 - Project Demonstration (Diploma) and Science Project (12th science) Competition

Day 5 - Codechef Competition

Day 6 - 1. Poster Making and Short Video Designing Competition

2. Online Workshop on "Python Programming"

On Day 1 (dated 07th June 2021) after the Inauguration program, an Online Workshop on "IOT using Arduino" was conducted. Resource persons for workshop were Ms. Sneha Dukare, Mr. Akshay Bhonge and Mr. Nayan Wanjari, Final Year students in dept. They mentioned about basics of IOT, Microcontroller, Arduino and its Programming etc. in their presentation. Participants asked various questions and cleared their doubts. Participants from various Polytechnic colleges' and 12th Std. Science College's attended the workshop. Program was concluded with Vote of Thanks. Ms. Pratiksha Bista, Ms. Gayatri Ghode, Mr. Piyush Dhale and team coordinated the Inauguration program and online workshop. Program was coordinated by Prof. A. D. Gotmare.

Outcome of Program - Students got knowledge about basics of Internet of Things and its implementation in Arduino

**Name of Program** - Online Workshop on "Basics of Python Programming" in One Week Online Technical Event CONNECT 2021

**Objective of Program** – To aware students about basics of Python Programming Language

**Date** – 12/06/2021

**Resource Person** – Prof. Vaishali Bambode, Asst. Prof. CE Dept., BDCE Sevagram

**Number of Participants** – 54

**Program Details** –

Department of Computer Engineering, BDCE Sevagram in association with Computer Society of India (CSI) and under the banner of Computer Departmental Organisation of Students (CDOS) is organized One Week Online Technical Event "CONNECT - 2021" for Polytechnic College and 12th Std. Science College students on dated 07/06/2021 to 12/06/2021. Various events are organized under it such as:

Day 1 - Online Workshop on "IOT using Arduino"

Day 2 - Paper Presentation Competition

Day 3 - Online Workshop on "App Development"

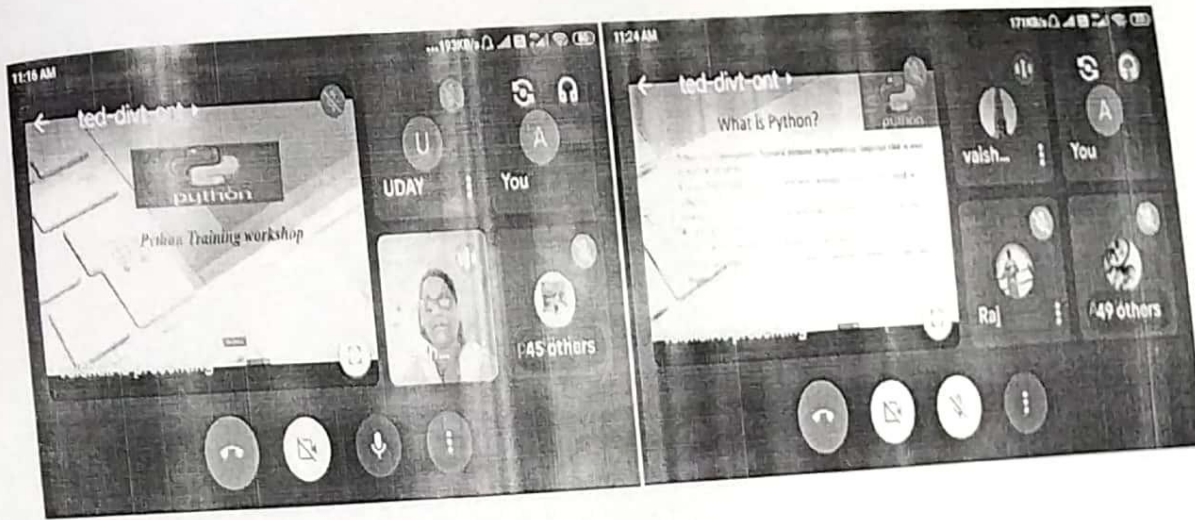

Day 4 - Project Demonstration (Diploma) and Science Project (12th science) Competition

Day 5 - Codechef Competition

Day 6 - 1. Poster Making and Short Video Designing Competition

2. Online Workshop on "Python Programming"

On Day 6 (Dated 12/06/2021) an Online Workshop on "Basics of Python Programming" had been organized. Resource person for workshop was Prof. Vaishali Bambode, Assistant Professor of CE Department. She taught students basic concepts in python, keywords, and functions of Python and applications of python Programming language. Participants asked various questions and cleared their doubts. Participants from various Polytechnic colleges' and 12th Std. Science College's attended the workshop. Program was concluded with Vote of Thanks. Ms. Pratiksha Bista, Ms. Gayatri Ghode, Mr. Piyush Dhale and team coordinated the Inauguration program and online workshop. Program was coordinated by Prof. A. D. Gotmare.

Outcome of Program – Students got motivated to learn about Python Programming

**Report of Event**

Department of Electrical Engineering, BDCE Sevagram organized Three Days Online Workshop "INDUSTRIAL AUTOMATION" for Final year students on dated 14/06/2021 to 16/06/2021.

Inauguration program was organized. Program was graced by Dr. G. V. Thakre, Principal BDCE Sevagram as a Chief Guest, Prof.D.K.Bhingare, HOD, Electrical Engineer Dept., Prof. K. N. Sawalakhe Faculty Coordinator, Faculties from Electrical Engineering Dept., Student Coordinators and Students.

Ms. Pallavi Girade from final year anchored the inaugural program. It was started with the blessings of maa Saraswati. Prof.K.N.sawalakhe in his introductory speech gives brief information about Workshop. Prof.D.K.Bhingare, HOD Electrical Engineering dept. Stated importance of INDUSTRIAL knowledge and various activities to give students practical exposure. Dr.G.V.Thakre, Principal, BDCE inspired students with his kind words and explained students what is industrialization. Sir asked students to gain as much as knowledge they can from this Workshop. The inaugural program was concluded by vote of thanks from Mr. Meherpritam watmode.

**Name of Program** - Two Day Online Workshop on topic "App Development"

**Objective of Program** – To learn basics of App development using Android

**Date** - 16th May 2021 and 17th May 2021

**Resource Person** - Mr. Akshay Raut, final year student of CE department

**Number of Participants** – 87

**Program Details -**

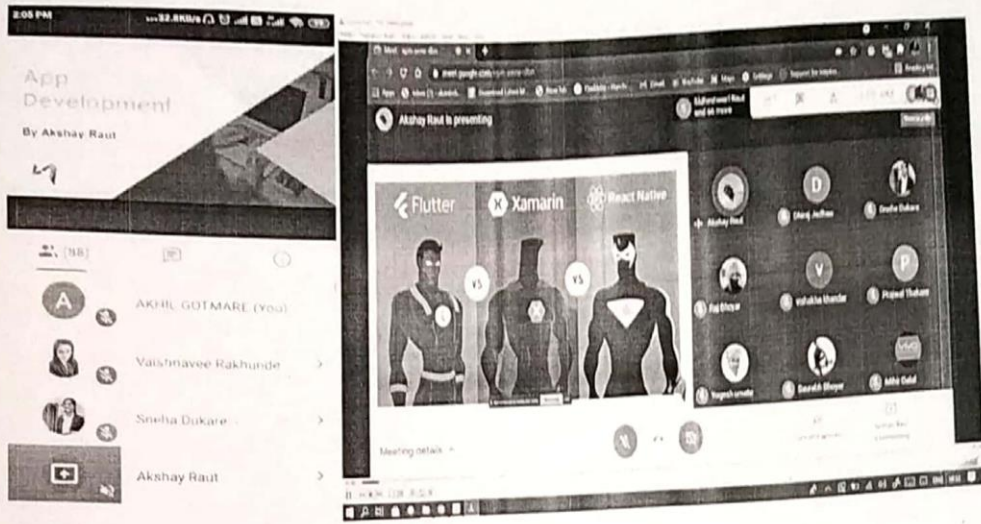

TYP Club ( Teach Yourself Programming & Coding) of department of Computer Engineering in association with CDOS had organized Two Day Online Workshop on topic "App Development" (" Akhir ye App hota kya hai ") on dated 16th May 2021 and 17th May 2021 on Google Meet platform. Workshop was attended by first year, second year, third year students of Engineering and 12th standard students for 4 hours on both days. Mr. Akshay Raut, final year student of CE department was trainer for the workshop.

Following topics were covered in the workshop:

- Android Apps
- Web Apps
- iOS and other Apps
- Game Development
- Technologies related to App Development.
- Android Development
- Other Helpful Technologies

Total 83 participants participated in workshop.

Workshop was co-ordinated by Mayur Bajait, Vaishnavee Satpute, Vaishnavee Rakhunde, Akanksha Khode, Sneha Dukre, Yogashri Tarone, Yash Zade, Mukul Singh, Sakshi Warkad, Members of TYP coding club and CDOS. On first day of workshop Dr. A. N. Thakare, HOD, CE Dept. and Prof. A. D. Gotmare, Incharge , CDOS had addressed students to attend such online workshop to gain technical knowledge and congratulated an entire organising team for successfully conducting such kind of workshop.

Outcome of Program – Student started developing basic Android Applications

**Report of Event**

Department of Electrical Engineering , BDCE Sevagram organized an Online ” National Conference and model exhibition" in association with ISTE on dated 17/06/2021 &18/06/2021

Inauguration program was organized on 17/06/2021. Program was graced by Dr. G. V. Thakre, Principal BDCE Sevagram as a Chief Guest, Prof.D.K.Bhingare, HOD, Electrical Engineer Dept., Prof. K. N. Sawalakhe Faculty Coordinator, Faculties from Electrical Engineering Dept., Student Coordinators and participants.

Ms. Pallavi Girade from final year anchored the inaugural program. Program commenced with the blessings of maa Saraswati. Prof.D.K.Bhingare, addressed the gathering with the objective of National Conference and importance of paper presentation for professional achievement .He also expressed his sincere thanks to ISTE for their support. Dr.G.V.Thakre said that final year Project work is important. He emphasized the importance of Curriculum as well as various subjects Students learn at the undergraduate level, he added that the program outcomes must be satisfied by the students at the end of the program and appreciated the efforts taken by the department to fulfill the program outcomes. Sir said that the student must take the work to the next level and look for patenting of their project. The inaugural program was concluded by vote of thanks from Prof. K. N. Sawalakhe Faculty Coordinator. The accepted papers were presented by participants in online sessions.

Day 2: Model Exhibition was organized on 18/06/21. Students demonstrated working model of projects and ideas through video.

EXPERT LECTURE 2020-21

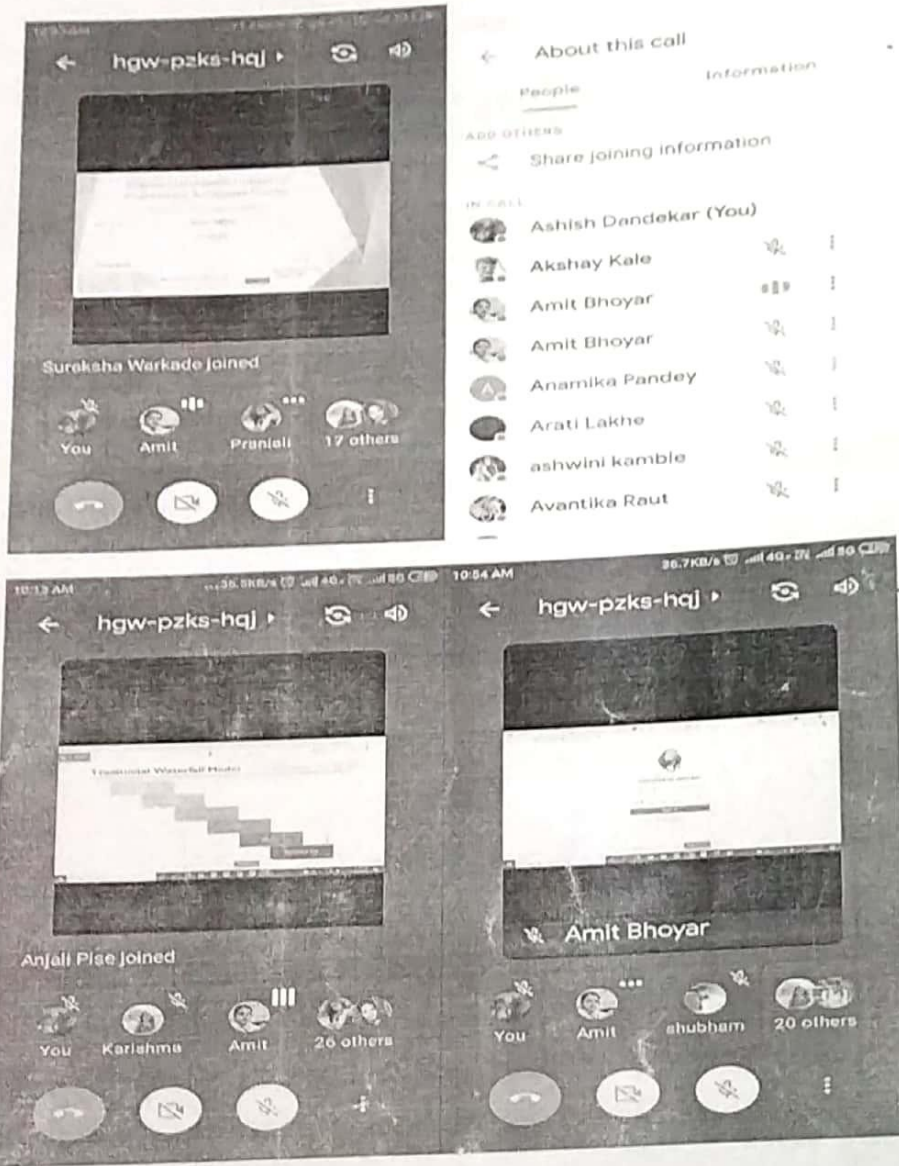

Name of Program- Session	Webinar on Devops 2020-21
Date of Program	20/06/2021
Time	10.00 am
Venue	ONLINE MODE (meet.google.com/hgw- pzks-hqj)
Resource Person	Mr.Amit Bhojar, Devops Engineer (Paysquare consultancy Limited ,Pune) 9730643139
Contact No	Prof. A. R. Dandekar
Faculty Coordinator	26
No. of Participants	To aware about Devops
Objective of Event	

Program Details:

Department organized webinar on Devops concept for M.Tech and the 8<sup>th</sup> semester students of computer engineering under banner of Student Development Cell. On 20/06/2021 in online mode, Mr.Amit Bhojar, Devops Engineer (Paysquare consultancy Limited ,Pune), explain all concept of testing and development with water fall model. He also focus toward live demonstration of application of Devops, Expert focus on recently job opening in current scenario as fresher in Devops technique

After that the interactive session was conducted. Resource person took feedback from students.

**Event Photos:**

**Outcome of Event** – Students acquired knowledge about Devops and they should aware about job opportunity in IT in future.

**Name of Program** - Two Days "Online workshop on Vue.js"

**Objective of Program** – To explain students importance of Vue.js which is front end JavaScript framework

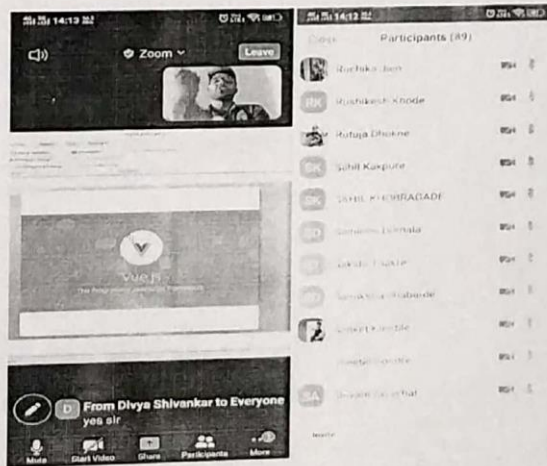

**Date** - 22nd & 23rd May 2021

**Resource person** - Mr. Shubham Gaulkar, Alumni of CE Department & Web Developer at Z Pyramid Media

**Number of Participants** - 89

Department of Computer Engineering, BDCE Sevagram, under the banner of Computer Departmental Organisation (CDOS) and in association with Computer Society of India (CSI) had organized Two Days "Online workshop on Vue.js" on dated 22nd & 23rd May 2021 on Zoom platform. Workshop was conducted by Mr. Shubham Gaulkar, Alumni of CE Department & Web Developer at Z Pyramid Media. This program was organized for UG and Diploma students.

At the starting of the Workshop Dr. A. N. Thakare, HOD, CE Dept. and Prof. A. D. Gotmare, faculty coordinator motivated students to attend various technical events and develop new skills which are beneficial for their future. In the session resource person explained importance of Vue.js which is front end JavaScript framework used for designing of user interface. He demonstrated some designing of UI using Vue.js technology. Total 105 students from Engineering and polytechnic colleges participated in the workshop. Ms. Vaishnavee Rakhunde & Mr. Utkarsh Shivhare Shouldered the responsibility of Event coordinator. Workshop was co-coordinated by Ms. Akanksha Khode, Mr. Mayur Bajait, Mr. Tanmay Petkar, Ms. Vaishnavee Satpute, Ms. Pratiksha Bista, Ms. Gayatri Ghode, Ms. Rani Budhbaware, members of CDOS. On the 2nd day after the session Mr. Utkarsh Shivhare, President CDOS concluded the workshop with a vote of thanks.

**Outcome of Program** – Students learned basics of Vue.js
