Strategic Plan and Deployment Documents

Strategic Plan

(AY 2015-16 to AY 2019-20)

In a technical institute, the faculty play the pivotal role in the progress of the institute and overall development of the students. In order to keep the faculty themselves abreast of the State of the Art technology, it is important that they inculcate habit of Innovation and Research. The institute is keen to train the faculty to strengthen their research attitude. In order to challenge themselves at international level and thus contribute in the national growth, it is necessary that young minds are also trained to be innovators.

A. Collaboration to impart Skill Based Education :

In order to impart skill based education, the institute plans to collaborate with Industries, Reputed Institutes, Universities and Research Organizations. The plan is as given below-

1. To collaborate each Department with industries in the respective areas for online projects, Summer Training, Semester Long Internship, Guest Lectures, Industry Visits, Laboratory Development Consultancy, Training to Industry, Participation of Industry in Teaching Learning and Assessment, Curriculum Design and Development, etc.
2. To constitute an Industrial Advisory Board wherein industry experts regularly meet and deliberate upon matters related to improve Quality of Education in terms of Industry Aligned Curriculum, as well as Training, Skill based Teaching-Learning, Business Ethics, Engineering Economics, etc.
3. To regularly arrange the Industry Meet and to deliberate on matters like increasing Employability of the students, Make in India - Challenges, how to prepare successful entrepreneurs, etc.

B. Improvement in quality Education:

In order to improve the quality of education, the institute is keen to understand the education system at IIT and international level and collaborate with them to strengthen its Teaching Learning Process as well as Research. The institute thus plans to collaborate with Reputed Educational Institutes and Universities for-

1. Student exchange, Faculty exchange, Collaborate Research.
2. Introduction of Experimental and Demonstrative Teaching Learning Process to impart skill based education in the institute.
3. To impart training to the faculty in pedagogy and relevant technical expertise for strengthening their teaching skills and abreast them of the latest developments.
4. To provide Academic Autonomy to the institute for imparting quality education.
5. To participate in National Rankings and Surveys for National Exposures and Recognition. The institution will undergo various National accreditation processes such as NBA, NAAC.

C. Entrepreneurship :

In order to train the students to become entrepreneurs, the institute plans to -

1. Establish development cell under which workshops, seminars and inspiring talks will be arranged
2. Introduce an elective on Entrepreneurship in the curriculum of Rashtrasant Tukadoji Maharaj Nagpur University.
3. Establish an Incubation Cell to provide facilities for budding entrepreneurs

D. Strengthening Research Culture:

In order to strengthen the research culture, the institute has following plans:

1. Establish Research Forum where faculty with research aptitude and attitude can give and exchange their work, arrange inspirational speeches of reputed researchers, workshops for writing research proposals.
2. To organize international conferences, workshops, STTPs on various themes and depute faculty to attend various conferences, workshops, STTPs in India and abroad.
3. To include faculty research contributions in the annual appraisal scheme and to recognize and reward faculty contributions.
4. To provide seed money for budding researchers to encourage Research Culture.
5. To establish design center and center of excellence
6. To establish incubation Centre for research activities.

Date:- 21/12/05

To,

The Principal,
Bapurao Deshmukh College of Engineering,
Sevagram,
Distt. Wardha-442 102.

Reference:- Your Application for Recognition.

With reference to above, this is to inform you that your application for Recognition as place for Higher Learning and Research has been processed, as per the provisions of Section 84(3) of the Maharashtra Universities Act, 1994 and Direction No. 7 of 2003.

A committee constituted by the Board of College and University Development has scrutinized the infrastructural facilities, academic, administrative and financial standards of your college.

The report, so submitted by the committee was considered and approved by the Board of College and University Development in its meeting held on 10th May 2005 and thereafter by the Academic Council in its meeting held on 27th July 2005.

Accordingly, Bapurao Deshmukh College of Engineering, Sevagram, Distt. Wardha has been accorded "Recognition as place for Higher Learning and Research," leading to Ph.D. degree in the Departments of Physics, Chemistry, Mathematics, Mechanical Engineering, Electronics Engineering and Post Graduate degree (by research) in Mechanical Engineering and Civil Engineering in the Faculty of Engineering and Technology.

The "Recognition," so granted shall be for a period of "Five Years," from the date of issuance of this communication.

No. BCUD/J/2007/4032/0/4
Date:- 24/10/2007

Subject:- Your Application for Recognition.

Reference:- Our letter No. BCUD/R/2005/2226/B/2771 dated 21.12. 2005.

In continuation to above referred letter, it is to inform you that while granting recognition as place for Higher Learning and Research, the subject, "Post Graduate degree in Electronics Engineering (by research)" in the Faculty of Engineering & Technology was erroneously not included as it was not mentioned in the report, submitted by the Committee.

However, later on the Committee rectified the error and included the subject, "Post Graduate degree in Electronics Engineering (by research)" as one of the subjects in the Faculty of Engineering & Technology. This was considered by the B.C.U.D. in its meeting of 19th December, 2006 and subsequently was approved by the Academic Council in its meeting dated 19th & 20th July, 2007 vide item No. 197.

Therefore, your college has been accorded recognition as place for Higher Learning and Research with an inclusion of the subject, "Post Graduate degree in Electronics Engineering (by research)" as one of the subjects in the Faculty of Engineering & Technology.
