

BAPURAO DESHMUKH COLLEGE OF ENGINEERING, SEVAGRAM

Specific Facilities Provided for Women in the year 2020-21

S.N.	Parameter	Facility provided
A	Safety and Security	A 24 x 7 security at the entrance to the college and hostels and at strategic points during the day-time. A well-established electronic surveillance system through CCTV cameras covering majority of locations of the campus including classrooms. A strict set of rules that have to be followed by the hostel students during their stay in the hostel that covers all aspects of their well-being. Display of various helpline numbers throughout the campus. Adequate security forces are available in the college 24/7 throughout the campus and also in hostel that make sure that no untoward incident take place in the campus. In the Industrial visits and study tours, a female faculty is accompanying the girl students. All the students enrolled in the college are facilitated with insurance cover.
B	Counseling	The institute has constituted various committees with senior female faculty/staff members viz. Anti-ragging Committee, Internal Complaint Committee (ICC), as per rules and regulations of Statutory Authorities. Counseling is carried out at different levels by faculty advisors for students to motivate them to perform well in life. The Institution has a well-defined student mentoring system implemented for students of all classes. Under this a faculty mentor is allotted to students. The chief objective is to help each student in taking right decisions for their academic and personal growth. In addition, mentoring will also benefit to boost student's morale and will enhance their learning aptitudes and capacity.
C	Common Rooms	Separate Common rooms for boys and girls with basic facilities exist in each department of the College. Separate washrooms are available for girls and boys. Water is available in all the washrooms with proper ventilation.
D	Other facilities	Essential Security measures are provided in the laboratories. The students are instructed and directed about the security precautions to be followed in the laboratories. Fire extinguishers are installed on each floor in all the buildings and laboratories. All the students enrolled in the college are facilitated with insurance cover. Medical facility is available in the campus.
